RETIRING THOROUGHBRED SUBMISSION FORM

**Please complete form and send to info@wildheartsthoroughbredadoption.com or text to 250-293-6193. You will receive confirmation of receipt within 24hrs, and upon approval horse pick up can be arranged. If you do not, please text 250-293-6193.*

Program Policy Acknowledgment

Wild Hearts exists to rehabilitate, retrain, and rehome Thoroughbreds into safe, long-term homes and keep a radar on horses. To ensure the best outcomes:

- Horses must be suitable, with rehab potential, for at least flatwork/trail use.
- Horses that cannot meet this standard may, when appropriate, be humanely euthanized as a last act of kindness, as long-term outcomes for pasture-only horses are poor.
- To maintain balance, we cannot accept multiple consecutive horses with significant limitations from the same trainer/owner. We are committed to supporting trainers who responsibly retire their sound "just too slow" horses through aftercare as well.
- By submitting this form, you acknowledge and accept this policy.

We especially encourage the retirement of sound, non-competitive horses, as they are vital to promoting positive racing PR and ensuring a healthy mix of adoptable horses in our program.

I have read and understand this policy (initial).

Donation & Intake Policy

- Sound horses: No minimum donation (contributions always appreciated, as adoption fees don't cover true costs).
- Horses with injuries/rehab needs/limitations: Require a minimum \$500 donation, as these horses need longer stays and resources.
- Eligibility: Must be rehab-able to at least "rideable/flatwork-only."
- Not accepted: "Pasture-sound only" horses.

Transportation

- Owners/trainers may deliver horses (pending board approval) at their own expense.
- Wild Hearts can arrange pickup from the track or a nearby facility for a \$300 fee.

Payment

- Cheque: Wild Hearts Thoroughbred Adoption Society
- Box 348, Princeton, BC V0X 1W0
- E-transfer: info@wildheartsthoroughbredadoption.com
- Payment must be received before pickup.
